Janis, can you please schedule another Admin Error meeting? You can use the same invite list from the Jan. 28, 2011 meeting at 11:00 a.m. on that day. I am including Vanessa so she can loop in the new Deputy Solicitor.

The invitees should receive the attached document. It includes a letter dated 2.14.11. That letter has been modified by the SOL office with feedback from the Jan. 28 meeting. Thanks.

Subject: Admin Error Follow up

Hi, Janis.

Can you please schedule another meeting next week that follows up on this morning's 10 meeting on "Tejon Admin Error?"

Larry was wanting to have this follow up meeting by mid-week or by the end of next week.

Also, please add Liz Appel and Sarah Harris to the invite list, too.

Thanks. Sequoyah
